

The ABC's of IDAHO Agriculture

Name _____

IDAHO farmers grow and produce more than 144 different products. There is at least one for every letter of the alphabet.

Can you name them?

There are several correct answers for some letters.

H _____
M _____
A _____
W _____
E _____
I _____
S _____
P _____
L _____ C _____
Y _____
K _____ G _____
V _____ Q _____
T _____ X _____ B _____
O _____ D _____ R _____
J _____ U _____ N _____
F _____ Z _____

Be creative!

Think of prepared foods such as potatoes (French fries, mashed potatoes, baked potatoes) or think of specific types of flowers and trees.

For example, in Idaho, **A** is for Apples, Alfalfa, Asparagus, Apricots, Arborvitaes and Alpacas
